

The Chandler interface: don't let it intimidate you, stare it down into submission

/s /m <text> = a starred message

/e /m <text> = an invitation (an event with address fields for who to invite).

For obvious reasons, you cannot use /t and /e together.

8.1.3 Adding collections

Now that you know your basics, it's time to start adding tasks. You're probably going to want to delete all the default tasks that Chandler comes with, and also the collection of US Holidays, which is of no use to you. You can go about creating new collections by right-clicking in the quick selection panel
