

character animation resources and forums on CGtalk (www.cgtalk.com) and CGChar (www.cgchar-animation.com). Highend3D (www.highend3d.com) and 3D Links (www.3dlinks.com) offer tutorials and forums as well as a nice collection of inspirational images and videos. Other good 3D tutorial and informational sites include 3D Café (www.3dcafe.com) and 3D Ark (www.3dark.com).

Off the Web, Eadweard Muybridge's books of photos (Animals in Motion and The Human Figure in Motion) provide great modeling and animation references. The Animator's Survival Kit by Richard Williams is a great book for aspiring animators to have by their side.
