

```
float:left;  
width:158px;  
margin-bottom:10px;  
padding:10px;  
border:1px solid #000;  
}
```

```
/* Sidebar B */  
#sidebar_b {  
float:right;  
width:158px;  
margin-bottom:10px;  
padding:10px;  
border:1px solid #000;  
}
```

Now we can safely rest in the knowledge that the combined widths of both sidebars and main content do not exceed 760 pixels, we can be sure of the layout.
