

6. Marketing your services

Okay, so now that you've gone and got yourself a reseller's account, how do you popularise yourself and get clients? You need to let the world know that you exist. Only when people know what you have to offer will they come to you for their needs. Be it web space or hosting, domain name registration, web development, or even SEO. In the beginning you will obviously not be the most popular web services firm out there. Google will not list you in the
