

You can show posts from “Everyone” with the most interesting posts first, or posts from your Page in reverse chronological order. This is the space where all posts from admins and fans can appear. You can Click “Edit Page” and go to the “Manage Permissions” section to adjust who can post on your Wall and moderation filters.

- ▶ **Using Facebook as a Page:** To use Facebook as a page Select “Use Facebook as Page” in the Account Menu in the top-right corner to navigate and interact with other areas of Facebook as your Page. When you use Facebook as your Page, you will receive notifications in the top-left corner when people “Like” or interact with your Page. You can also interact with other pages as “your page” which means whatever you post or like on Facebook will be shown as [Your Page Name] likes “X” and comments,

Using your page as Facebook

posts etc you write will have [Your Page Name] to their left. As in the screenshot below, if Agent001 is using Facebook as his page “Analyst”, his comment “Agent001 loves India” on a page on Facebook will have his page name to the left. You can switch back to using Facebook as your name by again going to “Account” on your top bar.

- ▶ **Editing your page:** You can add a summary that tells users a little information about your organization, public figure, or business by clicking on “Edit Info” link under the page name. You can edit your page by clicking on “Edit Page” tab on the top right corner of your page. You
