

First view of your profile page

- **About:** That's the “About” page which consists of all the basic info. You can start filling in your information, but you can control the information that is shared. You can assign different visibility levels to most parts on your profile. For example, if you click on “Introduction” in the “About” page, then a pop-up window something similar to this will appear:

Sharing on profile

You can choose who can see this part of the profile.

- **Posts:** Clicking on the “Posts” tab will show you all your posts. As you just joined, you won't have any in this tab.
- **Photos:** The “Photos” tab consists of settings of photos and tags. This tab contains an option to choose people whose tags of you are automatically approved to link to your Profile.
- **Videos:** Similar to the “Photos” tab.
- **+1's tab:** This keeps track of all your +1s. Read further to know what's +1.
