

a game. If a game has variations (such as Easy, Normal, and Hard), the Categories screen lets you choose the leaderboard for the game in general, or for one of the variations. The leaderboard also shows the ranking of your friends, and of all players. You may be able to view leader board stats for a specific time period, such as today, this week, or all time.

Rotate the iPhone to see the leaderboard in landscape orientation.

- ▶ **Start playing a game from the leaderboard:** Tap Play in the upper-right corner.

Achievements

Some games reward you with bonus points for specific achievements.

- ▶ **See the possible achievements for a game:** Tap Games, choose a game, then tap Achievements. For each achievement, Game Center shows how many bonus points are awarded, and whether you've completed the achievement. The total points awarded for your achievements appear at the top. You can get bonus points for a specific achievement only once. You may also be able to view achievements from within a game.

Recently played

Some games let you see which of your friends have recently played the game.

- ▶ **See who's recently played a game:** Tap Games, tap a game, then tap Recently Played.
- ▶ **Get information about a player:** Tap a player's name in the list.

Friends

Game Center puts you in contact with players around the world. You add friends to Game Center by making a request, or by accepting a request from another player.

- ▶ **Add a friend to Game Center:**

1. Tap Friends or Requests.
2. Tap +, then enter a friend's email address or Game Center nickname. Matching addresses and names from your contacts appear as you type. Tap a contact to include that person in your request. Tap to browse your contacts. To add several friends at once, enter additional contacts.
3. Enter a message for your request, then tap Send.

In order to become a friend, a person must accept your request. Other players might send you a request. If you receive an alert, you can accept the request from there, or close it and respond to the request later from the
