

48

PAGE

Space Stations

Mankind's first attempt at colonising the great beyond

67

PAGE

Other countries & private programmes

China and India jumpstart their space programmes and kick off the new Space Race, while private firms also get in on the act

80

PAGE

Living in Space

What's life like for an astronaut living in space? What does he eat? How does he sleep in zero-gravity? And what about when nature calls?

93

PAGE

Future of manned missions

What lies ahead in man's exploration of the vast unknown...
