

then, over 12 million copies of the game have been purchased from Apple's Store. Simogo's *Bumpy Road* for iPhone and iPad has hit 100,000 downloads. This is a pretty big deal for the independent studio, which doesn't have the same name recognition as, say, a Firemint (developer of *Flight Control*) and is, obviously, competing against tons and tons of other independent studios in the ocean of games on the App Store.
