

The screenshot shows the 20North website interface. At the top, there's a navigation bar with the 20North logo, a product search bar, and links for 'All Departments', 'Search', 'Track a Custom Order', 'Help', 'Chat Office', and a phone number '1 800 479 4805'. Below this is a horizontal menu with categories: Sports & Outdoor, Electronics & Computers, Home, Garden & Tools, Beauty & Personal Care, Books, Movies & Music, School & Office Supplies, Games, Toys & Hobbies, Apparel, Shoes & Mattress, Car Accessories, and Featured Catalogs. The main content area features a banner for 'INTERNATIONAL SHIPPING FROM INDIA' with details about payment methods (Pay in Rupees, Credit Card, Debit Card, Money Transfer, etc.) and a 'PLACE CUSTOM ORDERS' section. Below the banner is a 'NAUTICA' watch advertisement showing seven different watch models. At the bottom, there's a 'Featured Products' section with five items: a Canon PowerShot SX50 HS camera, a Razer DeathAdder mouse, a Razer Blade laptop, a Razer Blade Pro laptop, and a Razer Blade Stealth laptop, each with its price listed below.

of the 128GB SSD in all other configs, which are priced just ₹5,000 higher than the cheapest one.

Shipping can make or break a deal

Ordering heavy stuff can really hike up your budget and the added tension of physical damage to the goods always lingers in the back of your mind. Shipping rates are also pretty tricky, once a product crosses 5 pounds (2.27kgs); the shipping rates almost doubles. So, it's not just the duties that can sour the deal. Shipping charges can be a deal breaker too, so it's advisable to watch the weight.

Look for stuff that's impossible to get here

Camera lens adapters, iPad car kits, privacy filters for laptops, speaker stands for hi-fi speakers and similar products are hard to find in the Indian market and are priced exorbitantly due to a limited market appeal. Such objects are good candidates for importing through online sellers. Another possible scenario for buyers with deep pockets is buying products that are far away from launch in India or at times never make it to the Indian market.

What about warranty?

Warranty is important, and that's where the entire “shop at international stores from the comfort of your home” can be a real bummer. Almost 100 per
