

CHAPTERS

WINDOWS 8

FEBRUARY 2013

06

PAGE

Welcome to Windows 8

Where did it come from where will it go? What is it doing here? That's what we explore

16

PAGE

Start from scratch

Now that you know what Windows 7 is all about, this chapter tells you how to get started right from choosing the right version to installation and other nitigrities

24

PAGE

Get to know the new UI

Windows 8 almost speaks another language when it comes to interacting with its UI. But that's OK we've got a dictionary here for you

45

PAGE

Usability and getting work done

Windows 8 would win "the good looks" competition in all probability. Start using it and it would win your heart too. We showcase a few features designed to make life easier
