

# WELCOME TO WINDOWS 8

Where did it come from where will it go? What is it doing here? That's what we explore

## Ramping up to 8

Windows has had a long and confusing history filled with inconsistent dates, names and version numbers, and recent Windows releases haven't improved the situation much. There are a few key milestones in the history of Windows, and here we are speaking at an architectural level, not legal or financial.

It all begins, as always, with v 1.0, which for our purposes is unremarkable if not for the fact that it was the first version of Windows. Windows
