

## Unstuck

“Procrastination is the art of keeping up with yesterday”  
— Don Marquis. The saying may relate to so many of us that it’s not funny anymore. There are things we want to do, but are waiting for god-knows-what-to-happen

before we actually get us off our butts and DO THEM. Unstuck is an interesting app that coaches us through our challenges so we lead better lives. It has tools and a community backing to launch you out of the trap that our mind cages us in. It diagnoses a variety of problems, tells you the category
