

DriveSafely

A lot of road accidents today happen because we feel checking our beeping phone is more important than paying attention to the road. DriveSafely is an app that promotes safe driving by reading out messages and emails when turned on. You can also respond to the messages by voice using typical commands such as asking the phone to repeat the message or calling back the sender — all while keeping a majority of your

ngpay

ngpay is a multi-purpose app — you can buy train tickets via IRCTC and air tickets via popular airlines like Jet, Indigo and Go Air. If road transportation is what you need, it connects with all the leading bus operators in the country. You can book movie tickets at most of the popular cinema halls such as PVR, Cin-

emax, Fame, Big and Fun. With it, you can recharge your mobile or DTH connection. To make payments, you must either use credit or debit cards. Lastly, you can also buy gadgets, lifestyle products and

accessories off the app.
