Big Oven

Be it your boss, spouse, friend or someone you're just trying to impress – the way to their hearts is through the stomach. Which is why, you should get the Big Oven app. Big Oven is one of the most comprehensive and free food and cooking apps out there. Do not bother with those gazillion cook books out there because with the Big Oven app on your phone, you're pretty much sorted. Besides giving you interesting recipes, the Big Oven also gives you ideas on using up the leftovers. Plus, it's available for free across Android, iOS and Windows Phone. Not to forget, the Big Oven was also named as the 'Reader's

Choice, Best Recipe App' for 2012.
