

Guitar” or “Lego” but hey they’re important to some of us. At the same time, there will of course be so many that we missed out on or decided to drop and we’re more than happy to read your angry mails.

Since settling on a list was so difficult thanks to the murderous battles fought internally we decided to drop the idea of ranking them or having a countdown. Who are we to decide if penicillin was a better invention than the internal combustion engine?

Arranged alphabetically, you can either read this booklet start-to-finish or randomly open to a page and enjoy the bite-sized information that awaits you. Happy reading.
