

A central image of a black Corsair computer tower case with its side panel removed, revealing internal components like a large fan, RAM sticks, and a power supply. Surrounding the tower are various other components: a monitor displaying a colorful parrot scene, a 2.1 speaker system, a red and black graphics card, a CPU cooler with a red fan, a motherboard, a RAM module, and a power supply unit. The background is a light blue gradient with a subtle wave pattern.
