

CHAPTERS

CLOUD SERVICES

OCTOBER 2013

05

PAGE

Introduction: Meet the cloud

The internet is an enabler, and one of the most important things it's enabled is cloud services. But what are they? Just another fancy term for the internet? No

10

PAGE

What are cloud services?

In this chapter we will take a look at the various ways in which the cloud manifests, and do some jargon busting, and also look at some pros and cons of cloud services

18

PAGE

Cloud storage and syncing

Here we'll look at how you can go about backing up and syncing with your cloud storage account

29

PAGE

Collaborative Services

The cloud also enables real-time collaboration, regardless of where you're located with respect to your friends or colleagues
