

# TIPS AND TRICKS

As is customary for OSes, we add in a whole chapter dedicated to getting more out of iOS 7 with some hidden secrets being revealed

**I**n this chapter we will look at the newly revamped iOS 7, and cover how to use the newest features, and also tell you how you can make the most of the OS with hidden tips and tricks that range from the easy, everyday type to hidden, advanced secrets.

### GENERAL

#### Get quick review of the day

The notification centre has a 'Today' tab that lists a brief review of the day, it includes date, day, weather information, calendar entries to inform you the appointments for the day, reminders, up to date stocks and even excerpts of the next day. Here you'll get a quick look of how's your day going to be.
