

Nirmit Gauravbhai Kavaiya

Nirmit Gauravbhai Kavaiya

Nirmit, a 22-year-old resident of Rajkot, has been working on and developing apps for Windows Phone and Windows for three years. He has so far published close to twenty apps, out of which Ludo, a free app for Windows 8 has been downloaded by over 50,000 users in nine months.

Raja & Shanthi

Raja and Shanthi are a husband-wife duo from Chennai who used to work in the VFX industry but now have their own company- WapleStuff- that publishes apps for iOS. Their

first app, Pick- The Purchase Tracker, has been downloaded by over 1,14,000 iOS users across the world and was also featured by Apple in the 'Apps for Shopping' and 'Shopping Assistants' sections in the US App Store.
