SMARTPHONE PHOTOGRAPHY

APRIL 2014

06

PAGE

The rise of smartphone photography

They say the best camera is the one that's with you. And what could make a better camera than the humble smartphone that is with us all the time.

16

PAGE

Understanding your phone's camera

So you just bought a fancy new camera phone. But what do all those settings mean? Let's find out.

31

PAGE

Composing a good shot

A photograph is only as good as its composition.

40

PAGE

Cameraphone comparison

Which is the best camera phone out there? Based on our tests, we come to some conclusions.

51

PAGE

Aftermarket accessories

While smartphones are capable of pulling off some really impressive feats when it comes to photography, what can you add to it to take your images to the next level?
