

CHAPTERS

Rediscovering Linux

OCTOBER 2014

06

PAGE

Remember remember

Our journey to re-discovering Linux begins with an innocuous diary entry that takes you down the rabbit hole.

22

PAGE

The mythical 'Year of Linux'

Everything you need to know about the whereabouts of the year when Linux takes over and what's taking it so long.

31

PAGE

Leaders of change

Every war needs pioneering Generals. Meet them here.

38

PAGE

Linux on the desktop today

Come for the price, stay for the perks!
