

COVER STORY
PAGE 49-61

Delete Yourself

You need to know who has your data, how it's used, and what you can do about it. We show you how to confuse psychographics, or take drastic measures...

SCIENCE - PAGE 73-85

74 | Of Ice and Fire

Exploring marine clathrates, naturally occurring cage like structures made of ice that trap flammable gas under water.

76 | Reanimation

Bringing the extinct species of the planet back to life.

78 | The diet chart

We take a look at some of popular fad diets and figure out what makes them click.

80 | A brand new organ

Have you met Intersitium, the newest organ in the human body?

AND MORE

CULTURE - PAGE 62-72

63 | The history of Stormtroopers

Tracing the evolution of Stormtroopers over the current Star Wars canon.

66 | Faking it

India's e-commerce platforms need to be held accountable for counterfeits.

68 | Breaking the sound barrier

All about sound engineering as a career option.

72 | Boo-Man: I love selfies

This time, it's about Boo-Man actually loving something so much, he actually wants you to do it.
