Steam Stats 2017

PC's biggest marketplace saw some big changes in 2017. Here are SteamSpy's stats for Steam in the previous year. It's rather unfortunate that the site can no longer function due to Steam's new privacy settings.

Manish Rajesh | manish@digit.in

2017 Has been Steam's best year so far

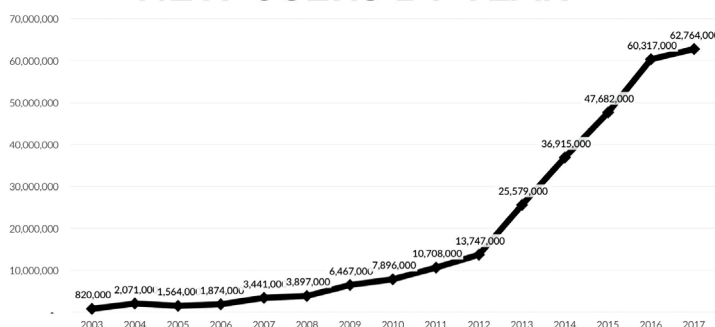

THE BEST YEAR FOR VALVE

\$4.3B

total Steam revenue from paid games sales (estimate). Doesn't include DLCs, MTXs and other in-app purchases.
