

NO.1 GAMING MONITOR BRAND

PG27VQ AND XG27VQ CURVED GAMING MONITOR

The curve to Victory

Experience The Curve

The 1800R panel curvature ensures that every point on the display is equidistant to your eyes, providing a comfortable viewing experience

Super-Fast 144Hz and above Refresh Rate

There's no frustrating lag or motion blur, so you get the upper hand in first-person shooters, racing, real-time strategy and sports titles.

Flicker-Free Technology

Reduces onscreen flicker to give you a more comfortable gaming experience. This minimizes eyestrain during marathon gaming sessions.
