

20 | NVIDIA's upcoming graphics cards

Little is known about NVIDIA's next gen GPU so we decided to get our hands dirty and find out everything we could about the new GPUs.

17 | A memorable story

NAND flash memory is found in most of the devices that we use everyday. How did it come to be so ubiquitous?

22 | Gadget care: Startup Edition

Whether its a broken device or one that was stolen, these startups are out to help you not feel the pain.

24 | LevelUp

Tips to help you travel like a true geek. Or manage your browser tabs. Whatever floats your boat!

28 | Monitoring resource usage on your Android smartphone

Worried about apps utilising too much battery or eating up all your data? We've got you covered..

30 | A versatile home for Agent001's gear

Agent001 is on a mission, he needs a new camera bag for his fancy DSLR and lenses.

32 | Take My Money

An (almost) endlessly spinning top, an immortal torch, an instant thermometer.

33 | Reviews

40 | Mobile button-mashing

Comparing the best mobile gamepads.

46 | Teardown: Macbook Pro 2018 (Touch Bar)

A nightmare to upgrade and repair.

49 | Devworx: Tensorflow

AND MORE

86 | Not one without water

A sci-fi story exploring a future with a water crisis and how we might solve it.

88 | Mobile phone use in India

Data collected by various organisations shows that smartphones are nowhere close to being ubiquitous in India even in 2018.

90 | Auto Tech

Exploring aviation tech and the new Hyundai Creta.

94 | Indian melee weapons

Want to know what these pre modern combat weapons are? Read on!

AND MORE

104 | Crossplay Conundrum

Everything you need to know about cross-platform gaming

100 | Reevu: Vampyr

Is that you, Dr. Acula?

102 | Reevu: Crew 2

Welcome to the motornation.

108 | Gaming disorder: Justified or joke?

Is the WHO's gaming disorder classification justified?

AND MORE
