

DECEMBER
2019
VOLUME 19
ISSUE 12

Zero1 Awards 2019

In our collector's edition issue, we rigorously test an array of tech products in different categories and announce our Zero1 2019 winners.

TECH - PAGE 14-50

18 | Recommended Buys

We recommend the best gaming microphones, game pads, PC sound cards, liquid coolers and more...

20 | Take My Money!

Check out the Dipple, the Nebula Cosmos Max and the GripBeats in this month's Take My Money

22 | Agent001

Agent is looking to start his own podcast and is going over what he's going to need

26 | Level Up

Up your iOS 13 skills and become a social media whiz with this month's Instagram Level Up

32 | Teardown

We pry apart Apple's new AirPods Pro and take a peek at all the electronics packed inside

34 | Dark Patterns in UX

We show you how to recognise and avoid manipulative UX dark patterns

36 | Origins

The history and milestones of Software Macros
