NETFLIX IS NOTHING SHORT OF A PHENOMENON

that has infiltrated the lives of millions across the globe with its expansive array of TV shows, movies and Netflix Original content. It can very be much credited for the acclimation of the concept of 'binge-watching' since it pretty much enforces that with its release process. While there are a few exceptions, most shows are released in its entirety (season-wise) and it seamlessly transitions from one episode to another without

users having to so much as raise a finger. However, if you're feeling fatigued by the features Netflix has to offer and want to turbocharge your Netflix experience to another level, here are some nifty tips and tricks to help you accomplish just that.

SEARCH VIA NETFLIX

CATEGORY CODES

Netflix has the tendency of roping users into a filter bubble since its recommendations, basically, anything you see on your home page, are delivered via predefined and rigid algorithms. If you feel like you're seeing more of the same type/genre of content, this is the sole reason. If you're adventurous in your streaming pursuits and want to step out the comfortable filter bubble Netflix has

created for you, simply use Netflix category codes.

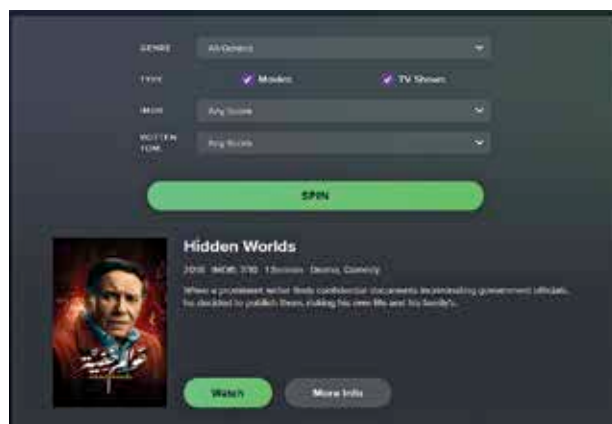

Netflix essentially breaks down every piece of content it possesses into 76,000 categories which can be as broad as 'Action & Adventure' or as niche as 'Critically-Acclaimed Mysteries from the 1940s'. Check out the extensive list of categories here – <https://digit.in/Netflix-Categories>. If you find some of these striking, simply note down the accompanying code given alongside the category name. Next time you want to

visit say 'Feel-Good Sports Movies For Ages 8 to 10" simply enter <http://www.netflix.com/browse/genre/855> in your browser. Replace the numbers after the last forward-slash with any of your favourite categories and break away from the rut.

SPIN THE WHEEL TO WATCH SOMETHING NEW

Say you've binged everything on your Netflix watchlist and are looking for some inspiration, try Netflix Roulette (<https://digit.in/FlixRoulette>). The question that baffles you – What to watch? – on a typical Tuesday night will be answered by this service. All you need to do is give the wheel a whirl and the service will randomly suggest a movie or TV series for you to check out next along with IMDB and Rotten Tomatoes ratings, the length of the film or number of seasons, genre and a brief summary. If you want a bit more control over the outcome, you can choose things such as the genre, film
