

Zero plastic waste city

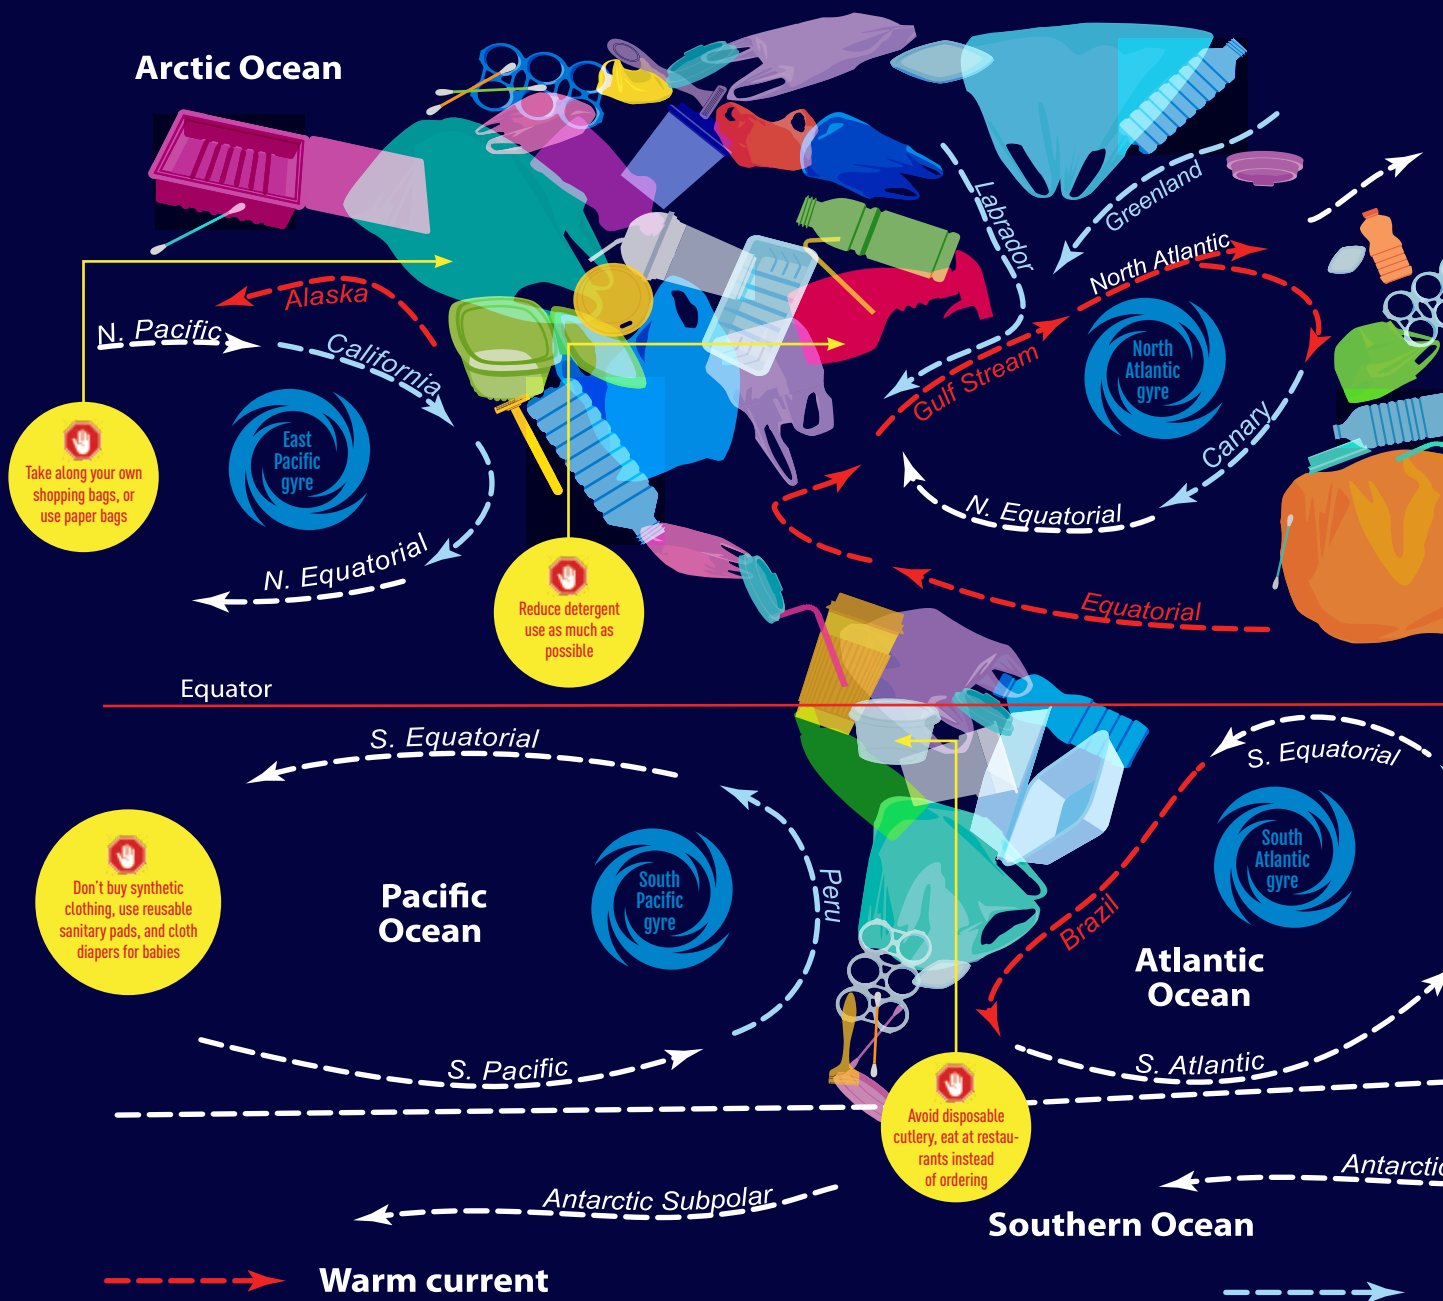

Vietnam is on track to create its very first 'Zero Plastic Waste City'. You can read about this venture here. <https://digit.in/feb20-01>

Marine Anthropogenic Litter

This book details how man-made litter, especially plastic waste, has spread to remote parts of oceans. <https://digit.in/feb20-02>

OCEAN PLASTICS

PRODUCTS THAT USE OCEAN PLASTICS

PATAGONIA

Patagonia has been leading the charge for using ocean plastics in gear since the mid nineties.

KEVIN MURPHY

Kevin Murphy beauty products all use 100 percent reclaimed ocean waste plastics.
