

**PRANIT MANDA**

Vellore Institute of Technology, Vellore
B.Tech Electronics and Communication Engineering - 4th Semester

From my childhood, I have been a great fan of technology and was curious as to how everything works. I have read a lot of magazines by Digit since my schooling and learned a lot about technology. This curiosity has brought me to pursue a career in technology. My vision is to see every place in the country to be technologically advanced and developed.

**SHOAIB SAWKAR**

Bharati Vidyapeeth College of Engineering Navi Mumbai
Electronics and Telecommunication Engineering, 6th Semester

Having a keen interest in Product Design and Ethical Hacking. Focused on lean Startup. Tech Support Guy for Family and Friends. Passionate about everything called - Tech.

**FAIZAN AKHTAR**

Galgotias University | B.Tech CSE, 6th Semester

I have been tech-savvy most of my teenage life, exploring technologies, gadgets, and everything anything coming up in technology and science. This enthusiasm for technology has made me an avid attendee of various workshops conducted at my college in my first year, both inside and outside the campus. I conduct workshops on behalf of my college technical society and also run a tech page on Instagram @thereviewindex.
