↑ The Mono Awards are given to monochromatic photographers every year, in various categories. Shown here is the winner of the amateur category, that is a portrait of a Mursi woman.

Credit: Majed AlZa'abi

↑ This impressionistic image of a European Shag was captured in Norway and won the top prize in the Bird Photographer of the Year 2020 contest, bagging £5,000 in the process.

Credit: KM Asad

← The Pink Lady Food Photographer of the year award went to this image that was captured at the Ukhiya Refugee Camp at Bangladesh's Cox market, showing children waiting for their turn.

Credit: Yasuyoshi Chiba

← The prestigious World Press Photo of the year awarded by the Agence France-Presse goes to this image of a protester in Sudan reciting poetry, illuminated by the flashlight on smartphones.

Credit: Roger Cox

← The Mammal Society's annual Mammal Photographer of the Year Award was won by this amateur photograph of a fox climbing onto a vehicle's windshield in East London.

Credit: John Moore

← The Astronomy Photographer of the Year award goes to this image of the Andromeda Galaxy that appears to be nearby because of a 3D printed component that gives the tilt-shift effect.

Credit: Chris Frost

← The Landscape photographer of the year award known as LPOTY is awarded to images captured in the United Kingdom, this year's winner is a scene from Dorset.

Credit: Ray Spence

← The Potato Photographer of the Year award is an ingenious way of raising money for a foodbank, and this year's winner is this glorious spud getting a long overdue haircut.
