

DON'T LET YOUR E-WASTE GO WASTE

Did you know?

At the current collection and recycling rate of just **17.4%**, a raw material value of **\$10 billion** could be recovered worldwide from e-waste like servers. Imagine the benefits if this rate rises. **It can only happen through our consistent efforts.**

Contact us if you are an office/institution/organisation for free e-waste pick-up*

*T&C apply

Don't let these resources go to waste
